SUMMARY

Building my foundation from the ground up! From concrete mixer, to syntax fixer! Graduated from Grand Circus an intense Front-End Development bootcamp with a certification in Front End Web Development / JavaScript with a main focus in AngularJS. Since then I have achieved a certification in HTML, CSS, JavaScript, and jQuery and working on React and Redux. Seeking an entry level role in Software Development with a company that offers growth opportunity.

EDUCATION

Grand Circus Detroit

Front-End Development Bootcamp, 2018

Garden City High School

Graduating Class of 2010
